

 Tax Administration
 P.O. Box 5000
 FI-00053 VERO

Report all household construction work that requires a building permit. You must file a report before each partial or final inspection.

If you want to correct or delete a previously submitted report, give the ID of the previous report. You can get the report ID from MyTax or by calling the Tax Administration service number (tax.fi/contact).

1 Type of report

<input type="checkbox"/> New report	Correction to previous report	Report ID of previous report
	<input type="checkbox"/> Replacement <input type="checkbox"/> Deletion	

2 Filer

Last name		First name
Identifier		Type of identifier
		<input type="checkbox"/> Finnish personal ID or Business ID of estate <input type="checkbox"/> Foreign personal ID or the like
Phone number	E-mail address	
c/o		
Street address		P.O. Box
Postal code	Post office	Country

3 Site of construction

If the site of construction is a real estate unit, enter the property identifier. If the site of construction is an apartment in a housing company or real estate company, enter the Business ID of the company. Also fill in the details and address of the site. If the real estate unit does not have an address yet, describe the location in some other way. If you have more than one site with ongoing construction, you must file a separate report on each site.

Property identifier	Business ID of housing company or real estate company
Street address or description of location	
Postal code	Post office

4 Details on construction work

If all the construction work has been done by you or by voluntary workers, you need not fill in sections 5 and 6.
